

Learning at Work Week

Learning at work week at the Grange

Learning at Work Week is an annual event in May organised by the Campaign for Learning since 1999. It aims to put a spotlight on the importance and benefits of learning and development at work. We're hoping that the new e-learning system will launch during the course of the week and that there might be a possibility of a bitesize training session on e-learning on Sunday. Please see below for the scheduled activities.

Monday – Anxiety Bucket Feedback

Hana and Sue are returning to the Grange to give feedback on our last fantastic anxiety bucket session. 2:00-4:00pm

Tuesday – Dignity Workshop 2:00-3:00pm

Ed and Felicity will be running a workshop that focuses on how we give support with as much dignity as possible. Bring your hairbrush!

Wednesday – Bitesize Training 2:45pm – 3:15pm

Join Felicity at handover for a bitesize training course on sensory environments.

Thursday – Service Specification Workshop – 2:45 3:15

Join Sarah to discuss and hear about the future of residential care services.

Friday – Feedback from the people we support

Join supported individuals for their feedback on how they think things are going in their services and what we can improve.
